

Sponsor-a-pet Program

Adopt a formerly unwanted or abused dog, cat, pig or goat at SARA and help save a life.

Note: We request a year's commitment

You can demonstrate your love and respect for animals by participating in SARA's sponsorship program and help support one of our permanent residents. Many animals here will never be adopted because of special health concerns or temperament, or simply because they are not considered conventionally attractive (e.g. people often prefer to adopt puppies and kittens rather than older pets). As a sponsor, you will receive a framed photograph of your pet, and his or her history. Please specify below which type of animal you wish to sponsor.

To become a SARA Sponsor, just fill out and return the sponsorship form below to:
